**4th October, 2015**

If you are new or visiting Adelaide West Uniting Church we are pleased you are here. A Welcome to Adelaide West information sheet is available in the foyer or from the stewards.

This world we live in is a vast and wonderful world, and our kids are now old enough and free enough to be also travelling around it. But they have travelled to different parts of it to those we have seen. They love Vietnam and Bali. We love England and China. And when they arrive back from one of their trips and begin raving about what they have seen, I find myself wanting to break in and let them know that what we have seen is as fantastic as anything they have just seen. What makes me want to do this? I don't know!

God is a vast, awesome and wonderful mystery and all of us are making our own journeys into this awesome mystery. We love and are excited by what we experience on such journeys and we can begin to rave about our experiences. So when others begin to relate their experiences, which can be very different, we too can have the desire to let it be known that nothing can really equal our experiences. Oh dear!

But, really, isn't it fantastic that God is such an awesome mystery that we can all have such different experiences, be able to share them and remain one family.

## Susan's ordination

## New Foyer Flooring

This Thursday is installation day for our new Foyer flooring, so it is all in place for Spring Fair and SYNOD celebrations. Access to the building on Thursday will be very restricted with old carpets being pulled up and flooring being ground and new flooring installed. If you can make **other arrangements so you don't need to call in on Thursday**, that would be very helpful.

The new flooring is to be **cleaned ONLY WITH WATER** and no chemicals. You can vacuum or sweep up crumbs and mess and use water to soak up any spills.

Please all take care to keep our new flooring looking pristine.

A huge thankyou to our fellowship team and everyone who helps them in fundraising, as they are funding this project. That is just one of the many things that events like pastie bake and SYNOD catering pays for in the life of AWUC.

For those planning rosters for Spring Fair, here is the programme of buskers in the café. This might help you when planning your break times.
