**16th October, 2016**

If you are new or visiting Adelaide West Uniting Church we are pleased you are here. A Welcome to Adelaide West information sheet is available in the foyer or from the stewards.

Prayer is a powerful tool given to us by God. A tool so powerful that although God has given it to each and every one of us, to use for ourselves, we may never realise the true potential it give us.

At the 5pm service here at Adelaide West, we are continuing our series looking through the book of Daniel and now, in chapter 9, we come across a powerful prayer. There are many ways to pray, be it for personal growth and development, in adoration of our mighty God, on behalf of others, for protection or for strength. Our prayers can be silent or they can be loud. They can be one off and they can be continuous. But perhaps an aspect of prayer which isn't as readily remembered in our day and age, is to pray *expectantly*. Throughout the book of Daniel we have been witnessing the faithful nature of our God, to respond to the call of his people. In this chapter Daniel prays expectant that our faithful God will act on behalf of his people and we too can be expectant. Come and join us this Sunday at 5pm as we explore Daniel's pattern for prayer and how God's word might shape our own prayer lives.

## Only a month until SYNOD

We really need a **“runner” on Thursday 3rd &**

**Friday 4th** to assist with SYNOD. A runner for Saturday is also helpful but not as vital. This can be one person or a couple of people in shift work. They are needed to help especially with moving chairs and tables around and filling and emptying coffee urns and clearing dishes and rubbish as needed. There are busy times and slow times and the need is from at least 9am until 9pm - although there are flexibilities there.

Please contact Suzi Cousins in the office.

## Treated Pine Wanted

I'm looking for some treated pine 590 long, 95 wide and 35 deep, and need two of them. To replace two aged slats on the Wood bridge in the playground. Any in someone's shed?  
David Bailey 0408 207 675

## Wanted

**Drivers to help Learner drivers gain their 75 hours of supervised driving practise.**

**Do you have one or two spare hours a week or fortnight?**

**All learner drivers have their own car and insurance, and will have done about 20 hours preliminary driving.**

**You need: a full licence and a police clearance. There may be some cultural requirements i.e.: women with women.**

**Contact: [ruthghg@gmail.com](mailto:ruthghg@gmail.com) M: 0450 684 844**

The next **Progressive Christianity Service** will be held on **Wednesday, 19<sup>th</sup> October at 7.00 pm** in the Chapel. The theme for the evening is, as yet, a surprise – even to the presenter! You are very welcome to join with us. Please contact John Maddern or Esmond Dowdy if you require any further information.

## Shared Zone Signs

Management committee, in conjunction with the College, are to install shared zone signs. This is to reinforce to drivers to be aware of people walking and moving through the site.

Any queries, see David Bailey
