Walking the talk

We long for a world where love is the way and over past weeks we've looked at *walking in the way of love* and *walking the talk* in our morning services. At one of our night services we looked at reconciliation, vertically to God through Jesus and horizontally with others. Through Christ's unifying work there are no 'inners' and 'outers' in God's kingdom, there are no favourites. James appeals to us in James 2 to show no favouritism. He is practical and direct, challenging us to see people as God sees them. What does this mean for us in our everyday lives - at home, at work, at school, in our volunteering, in our social lives and in our church? I found this quote on Facebook as I was eating my cereal this morning:

"We are made to tell the world that there are no outsiders."

Desmond Tutu

Beautiful words that inspire us to walk without favouritism as we pray together, share together, worship together, share the good news of Jesus together, and care for each other and others.

Blessings

Lynne

Community Fair

One of the themes we'd like to encourage this year is looking at how we can be as green as possible in our Community Fair activities. Our slogan is '**Less plastic - fantastic!**' to this end we'd like to encourage everyone involved with the Fair to consider what they are using for packaging etc. We know many people already re-cycle meat trays, strawberry punnets or alfoil pie tins for the Produce stall which is such a great idea. We will be using either our own crockery and cutlery or sourcing sustainable disposable items.

Got Green Thumbs? How about starting on some potting for our Community Fair Plant Stall ?

Billet needed
