

# LOVE GOD

## LOVE OTHERS

### Mark 12:28-34

- Which commandment really matters? Which is central?
- 'Love the Lord your God with all your heart & with all your soul & with all your mind & with all your strength' *Mk 12:30 & Deut 6:4-5*
  - Heart – our core, whole being
  - Soul – personality, depths
  - Mind – thoughts, understandings
  - Strength – all our energy, all we can physically do
- 'Love your neighbour as yourself' *Mk 12:31 & Lev 19:18*
  - Humankind is created by God – neighbours are all people
- Love God, love others is filter for our whole lives
- Both commandments connected - loving God is impossible without loving others
- Imagine a world where love is the way
