## February is here

It's a funny thing the beginning of a new year. It rushes in straight after Christmas and although some of us return to work and establish regular patterns once again, others are still on holidays, or volunteering at beach missions, or home with children, grandchildren or godchildren, or awaiting our normal programs to return.

Many of us are impacted when school goes back in some way, with our own children or grandchildren, as a teacher, less people at shopping centres or at the beach, or just the extra traffic on the road at school times! So here we are at the beginning of February. What will the rest of 2019 look like for us, our families, our connect groups and here at Adelaide West?

As the church calendar slips into regular mode – the challenge before us is to reflect on how we will grow together this year, how we will intentionally love God and love others, seek our purpose as a church, wait on God in prayer, and listen to each other. We seek to grow in faith, hope and love together.

## Blessings
