

GO & DO LIKEWISE

Luke 10:25-37

Parable of the Good Samaritan

- LOVE GOD ↑
← LOVE OTHERS →
 - do this & you will live
- Samaritan:
 - showed compassion (his heart went out to the man)
 - not a quick fix, ongoing care
 - cost of showing mercy
- Jesus redefines 'neighbours'
- Motivation of love not law
- We end up in 'ditches' in our everyday living – where we feel alone, hurt, or need help
- Jesus is the epitome of the good Samaritan – rescues us, bandages our wounds, cares for us, restores us, shows mercy

For reflection:

Who is my neighbour?

Who are our neighbours?

Who are the others in the ditch?

What is our response to 'Go & do likewise?'
